

Song Time

Now for a song time, Hope we sing a long time, When we sing there's mu-sic all a-round!
Day song or night song, Heav-y song or light song, Tunes that take us trav-el-ing a-way!

We'll find a way now, We can sing and play now. Make a won-der-ful sound!
Dark song or bright song, We will find the right song For a mu-si-cal day!
