

## **POWER OF THE DREAM**

Words and Music by Linda Thompson, David Foster and Babyface

Deep within each heart, there lies a magic spark  
That lights the fire of our imagination.  
And since the dawn of man, the strength of just "I can"  
Has brought together people of all nations.  
There's nothing ordinary in the living of each day.  
There's a special part every one of us will play.

Feel the flame forever burn, teaching lessons we must learn  
To bring us closer to the power of the dream.  
The world unites in hope and peace. We pray that it will always be.  
It is the power of the dream that brings us here.

Your mind will take you far, the rest is just pure heart.  
You'll find your fate is all your own creation.  
And every boy and girl, as they come into this world,  
They bring the gift of hope and inspiration.  
There's nothing ordinary in the living of each day.  
There's a special part every one of us will play.

Feel the flame forever burn, teaching lessons we must learn  
To bring us closer to the power of the dream.  
As the world gives us its best to stand apart from all the rest.  
It is the power of the dream that brings us here.

There's so much strength in all of us, every woman, child and man.  
It's the moment that you thank you can't you'll discover that you can.

Feel the flame forever burn, teaching lessons we must learn  
To bring us closer to the power of the dream.  
As the world gives us its best to stand apart from all the rest.  
It is the power of the dream that brings us here.

The power of the dream, the faith in things unseen,  
The courage to embrace your fear.  
No matter where you are, reach for your own star,  
To realize the power of the dream, to realize the power of the dream.
