

**YOU ARE THE MUSIC IN ME**  
**From High School Musical 2**

Na na na na, na na na na yeah. You are the music in me.  
You know the words "Once upon a time," make you listen, there's a reason.  
When you dream there's a chance you'll find a little laughter or happy ever after.

Your harmony to the melody, it's echoing inside my head. Single voice and like a  
common thread. When I hear my fav'rite song, I know that we belong; Yeah, it's living  
in all of us, and it's brought us here because you are the music in me.

Na na na na, na na na na na, na na na na, you are the music in me. It's like I knew you  
before we met. Can't explain, there's no name for it. I sang you words I've never said,  
and it was easy because you see the real me.

Am, stand, that's more than I've ever known, To hear your voice above the noise and  
know I'm not alone, oh, you're singing to me.

When I hear my fav'rite song. I know that we belong; You are the music in me. It's  
living in all of us, and it's brought us here because you are the music in me.

See, collected at will, and keep it all inside.

Na na na na, na na na na na, na na na na, you are the music in me. Na na na na, na na na  
na na, na na na na, you are the music in me.

When I hear my fav'rite song, I know that we belong; You are the music in me.

It's living in all of us, it's brought us here because you are the music in me.

Na na na na, na na na na na, na na na na, you are the music in me.
